ON-LINE REGISTRATION IS COMING WINTER 2013!

ON-LINE REGISTRATION IS HERE NOW!
ON-LINE EARLY BIRD REGISTRATION BEGINS ON MONDAY,
DECEMBER 10, 2012. WALK IN, PHONE IN & MAIL IN REGISTRATION
BEGIN ON MONDAY, DECEMBER 17, 2012

The City of Agoura Hills Department of Community Services is pleased to announce that we will be offering on-line registration for Winter 2013 classes/activities beginning on December 10, 2012. Classes begin the week of January 14, 2013.

We are partnering with Active Network, Inc. to provide class and event registration. The Active Network has been providing class and event services for over 20 years, and over 1,200 state and local parks and recreation agencies currently use their products.

With ActiveNet, you will be able to search and view hundreds of our classes and programs on-line, and register without having to leave home!

Some of the benefits of registering on-line include:

- ★ Ability to register for classes for yourself and other family members.
- ★ Ability to view your past class registrations with ActiveNet.
- ★ Ability to view and print class schedules.
- ★ Ability to see "at a glance" where you need to be, and when!
- ★ Manage your own account and make payments from the comfort of your own home.

To get started, one adult member of the family must request a free on-line account using a valid e-mail address. If you do not have a current e-mail address, you can open a free Hotmail or Gmail Account quickly and easily. All activities may be viewed without signing up for on-line registration.

There will be a \$2 convenience fee that ActiveNet assesses when you register on-line, which is due at the time of payment. These fees are collected by the Active Network to offset the costs of providing the service, and are not collected by the City of Agoura Hills. If you wish to avoid paying the convenience fee, you may come in to the Agoura Hills Recreation Center to register. You must have a valid credit card in order to make a payment on-line. The ActiveNet registration site is secured by VeriSign.

Beginning in Spring 2013, the Department of Community Services will no longer be accepting Phone In registrations.

Reyes Adobe Historical Site

Programs at the Reyes Adobe

The Reyes Adobe Historical Site is an early California rancho setting featuring:

- ★ A preserved adobe home with rooms depicting various periods of its history.
- ★ Interpretive displays on everyday rancho living.
- ★ An adobe barn that is now a museum and educational center on the site's unique legacy with cultural artifacts and California history timeline.

Public, educational and group programs are available throughout the year and offer a variety of ways to discover the region's unique legacy through guided tours, interactive exhibits and special events.

The Reyes Adobe Historical Site was made possible by the generous donations of the Santa Monica Mountains Conservancy, The Getty Grant Program and State Park Propositions 12 and 40.

Adobe Days and California Ways

Our field trip/Educational tours comply with suggested California State curriculum requirements. A special educational program has been established so that 4th grade children can visit the site with their schools to learn about California history with hands-on activities, learn about what life was like on the rancho, and the responsibilities of those who lived here on the land.

REYES ADOBE HISTORICAL SITE WILL BE CLOSED DURING INCLEMENT WEATHER.

2012 REYES ADOBE DAYS!

The City of Agoura Hills and Camp Bow Wow would like to thank the following businesses and organizations for their support of the 2012 Reyes Adobe Days:

Community Services

WHAT IS CERT?

Local government prepares for everyday emergencies. However, during a large disaster, the number and scope of incidents can overwhelm conventional emergency services. The Community Emergency Response Team (CERT); traditionally known as the Disaster Response Team (DRT) in Agoura Hills; is designed to educate residents and businesses about emergency preparedness for hazards that may impact their area and instructs them in basic disaster response skills. Using the skills learned in the classroom and during exercises,

CERT-trained DRT members can give critical support to their families, neighbors, and community immediately following a disaster when residents may initially be on their own and emergency services may not be available to help.

WHY WAS THE CERT PROGRAM DEVELOPED?

The CERT training program was developed by the Federal Emergency Management Agency (FEMA) and modeled after the original 1985 programs used by the City of Los Angeles Fire Department. The purpose of the CERT program is to create a well-trained citizen emergency work force which is vital in the immediate aftermath of disaster situations when the number and scope of incidents overwhelm conventional emergency services.

WHY DO THE CERT TRAINING?

CERT members are primarily used in their own neighborhoods. CERT training means you are as ready as you can be to help yourself, your family, and your neighborhood, and serves as the basic level of training for all community-based disaster volunteer teams. In a disaster, normal activities will be disrupted; sheriff, fire, 9-1-1, and ambulances will be quickly overwhelmed and may not be able to respond for 72 hours. Residents need to be able to take care of themselves until the professional emergency responders arrive. One goal of the CERT program is to help residents respond to and assist others in need and do so effectively without placing themselves in unnecessary danger.

If you would like more information about the City of Agoura Hills CERT Disaster Response Team, please contact the CERT information hotline at (818) 597-7302 or contact Louis Celaya at (818) 597-7314.
