(1) Denotes fees for each additional day

* Denotes a background check/finger printing requirement + additional fees
(Hourly fees of \$88.40 up to \$850.00) • Delinquent Business License Fee: \$25.00

Note: A change to business, such as relocation, expansion, change in ownership, change to the type of business, will require a new business license to assess the new business license fee.

The business license fees were established in May 2013 and approved by the agency's governing body. Resolution No. 13-1701 establishes those fees.

The business license fees are reviewed annually to ensure fees paid by the businesses are fair, low cost and that sufficient cost recovery is being attained.

Questions regarding the fees and their adoption should be directed to the Planning Division at (818) 597-7328.
